

**Hospitality+ Center
for Innovation and Training**

UNIVERSITY OF CENTRAL FLORIDA

Fundamentals of the Events Sector

COURSE DESCRIPTION

Step into the world of Event Management with our comprehensive, ten-module course designed to boost your expertise and set you apart. Discover the economic power and history of events, master stakeholder engagement, and explore sustainable, impactful event design.

Learn to assess social and economic impacts, manage sports and business events, and embrace the cultural richness of Saudi Arabian festivals. With real-world case studies and expert guidance, this course equips you to create unforgettable, impactful events that leave a lasting legacy.

Join us to become a leader in the event industry!

LEARNER TESTIMONIALS

The practical skills and real-world insights I gained from **MODULE 01 | Event Management: Navigating the Dynamic World of Events** have expanded my understanding of career opportunities in event planning and design.

MODULE 08: In-Depth Exploration of e-Sports introduced me to the world of e-Sports events as mega-events, sparking my interest in audience engagement, viewership culture, and emerging technologies. This aligns perfectly with my goal of contributing to Saudi Arabia's Vision 2030. I now feel more confident pursuing a career in this growing industry, especially in the esports sector, which I find both innovative and exciting."

ABEER | MAKKAH, SA

COURSE LEARNING OUTCOMES

1

Analyze and Evaluate Historical and Economic Aspects:

Critically analyze the historical development and economic impact of the events industry.

2

Develop Stakeholder Management Strategies:

Evaluate and implement effective strategies for stakeholder engagement and resource allocation.

3

Assess and Apply Event Planning Techniques:

Assess various event types and apply advanced planning and management techniques.

4

Integrate Sustainability in Event Planning:

Analyze and integrate sustainability principles using the Triple Bottom Line framework in event planning.

5

Utilize Interdisciplinary Insights:

Apply anthropological, psychological, and sociological principles to enhance event design and attendee experiences.

6

Evaluate Economic and Social Impacts:

Critically evaluate the economic and social impacts of events using relevant theories and methodologies.

7

Plan and Manage Major Sports Events:

Develop and implement comprehensive plans for major sports events, including financial and marketing strategies.

8

Explore and Manage eSports Events:

Investigate the eSports industry and develop strategic management plans for eSports events.

9

Plan and Evaluate Business Events:

Plan, execute, and evaluate business events, focusing on strategic goals and participant engagement.

10

Manage Cultural Events and Festivals:

Analyze and manage cultural events and festivals, focusing on heritage conservation and cultural participation.

HP+C1: Fundamentals of the Events Sector

This self-paced e-learning course is designed to guide students through comprehensive lessons. Each lesson consists of engaging video and text content with interactive activities, followed by a quiz to assess understanding, and a review session with reflection questions, key takeaways, and glossary of terms. The educational experience emphasizes critical thinking and independent work, with assessments that ensure students meet all learning objectives and master the content.

LEARNER TESTIMONIALS

You know, the e-Sports industry is huge and packed with career opportunities!

As I worked through...

MODULE 08: In-Depth Exploration of e-Sports

I got really excited about the idea of landing a job in this field. Sure, I might not be the best gamer, but I love watching streamers and gamers do their thing. With my background in gaming, I feel like diving into a job in this space would be an absolute blast!
